

Application No.: 10/628,880
Filing Date: July 28, 2003

AMENDMENTS TO THE DRAWINGS

Please replace pages 1, 2, 3, 4, 5, 6, 9, and 12 of the drawings with the replacement pages attached hereto.

REMARKS

Applicants thank the Examiner for her careful review of the Application. Applicants also thank the Examiner for the indication of allowable subject matter in Claims 27-31, 33, 34, 78-81, and 108.

By way of summary, Claims 27-31, 33, 34, 78-86, 88-91, 93-98 and 102-112 were pending in this application. In this amendment, Applicants have canceled Claims 82-86, 88-91, 93-96, 102-106, and 109-112 without prejudice or disclaimer, and have amended Claim 80 to correct a typographical error. Thus, Claims 27-31, 33, 34, 78-81, 97-98 and 107-108 remain pending.

Claim 107 was rejected in the Final Office Action. However, because this claim depends from allowed Claim 27, Applicants believe that this rejection was made in error and respectfully submit that Claim 107 is allowable. Further, Claims 97 and 98 were neither rejected nor allowed in the Final Office Action. However, these claims also depend from Claim 27 and thus are allowable and should have been allowed.

Applicants have also submitted replacement sheets for pages 1, 2, 3, 4, 5, 6, 9, and 12 of the drawings. These replacement sheets are presented to formalize the drawings and do not add new matter.

Applicants respectfully submit that the current application is in condition for allowance.

No Disclaimers or Disavowals

Although the present communication may include alterations to the application or claims, or characterizations of claim scope or referenced art, Applicants are not conceding in this application that previously pending claims are not patentable over the cited references. Rather, any alterations or characterizations are being made to facilitate expeditious prosecution of this application. Applicants reserve the right to pursue at a later date any previously pending or other broader or narrower claims that capture any subject matter supported by the present disclosure, including subject matter found to be specifically disclaimed herein or by any prior prosecution. Accordingly, reviewers of this or any parent, child or related prosecution history shall not reasonably infer that Applicants have made any disclaimers or disavowals of any subject matter supported by the present application.

Application No.: 10/628,880
Filing Date: July 28, 2003

CONCLUSION

The undersigned has made a good faith effort to respond to all of the rejections in the case and to place the claims in condition for immediate allowance. Nevertheless, if any undeveloped issues remain or if any issues require clarification, the Examiner is respectfully requested to call Applicant's attorney, Andrew M. Douglas at (949) 721-7623 to resolve such issue(s) promptly.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
